## **Paddock Regulations:**

- A liquid-proof tarp must be placed under the competition vehicle as per regulations.
- The service vehicle area must be covered with at least cardboard and an absorbent mat to prevent oil damage.
- Each paddock spot must have at least one fire extinguisher per vehicle.
- A designated area for hazardous waste is marked within the paddock.
- Open fires are prohibited.
- The notice and results board is located near the competition office. All announcements and additional regulations will be posted there.

It is the competitor's responsibility to check this board regularly for updates.

## **Entry/Exit Instructions:**

- All traffic to and from the competition area must use the blue-marked route on the attached map.
- The entry gate must be closed immediately after use — both upon entering and exiting.
- Other traffic within the area is prohibited unless a driving permit is granted. Only 1 permit per country will be issued.

Movement to the competition sections is only allowed along yellow-marked paths on the attached map.

Only competition vehicles may use these paths without a permit.
